

A lot of extra money  
can be earned from  
processing fish oil!

Our unique **omega<sup>3+</sup>**  
technology guarantees that  
your revenues will rise substantially thanks  
to the optimum processing of fish oil!

- Omega-3 fatty acids with a concentration of at least 60% health-boosting EPA and DHA
- High-quality, standardised biofuel manufactured from the remaining 2/3 of the fish oil
- Our experience in processing fats and oils guarantees the superior quality and purity of all our products, thus pushing up your revenues.

For almost 20 years, BDI's core competence is providing technology for industrial plants!
